PACKAGE DESCRIPTION and INFORMATION

Your show management has chosen to offer Lead Management Services for this event. This will allow you, as an exhibitor, immediate access to valuable data on your potential customers. The Lead Management System provides access to demographic information as provided by the attendee (and approved by show management).

CTE

LeadNet: Use your own iPad, mobile phone or laptop to collect leads. Purchase and download the CTE Lead Management Application* to utilize your device to capture your leads in real time. A full service Fulfillment site will be available to access your information anytime you have a network connection.

*Internet or cellular data plan required.

Rover: A handheld portable data collection system with LCD display. No electrical needed. Unit will be downloaded and the data will be emailed in Excel format at the end of show (The data will also be available in other formats on a web site which will be on the return receipt). The exhibitor simply scans the attendee 2D Barcode and the Rover reads and stores all of your sales leads and displays them on the LCD screen.

*No electrical needed.
